

# A Sunshine State Feast

Ideas to spice up your Sunshine State program:

- Have a luncheon for the teachers and serve food items found in the current SSYRA Program books.
- Choose ten of the items on the list below and make a Sunshine Café menu. As students read the books throughout the year, have them determine in which book the food item can be found. Students should write the book title below the item on their menu. Have students submit their completed form in order to be eligible for a “surprise prize” drawing.
- Award teachers for reading a SSYRA Program book aloud with a small prize, certificate, or food item that represents the book.
- Use your imagination to serve up some excitement about this year’s books!
